Very tall, correct large bodied cow with a ton of total horn. She is as easy going as they come and gentle as can be. She is something to watch strolling across the pasture swaying all that horn! We are retaining her 2024 heifer calf from M7 Pacific Dusty. She is currently exposed to M7 Pacific Dusty (Pacific Cowboy 40 x Rio Dustette) from 10/2024 to sale date for a late summer/early fall 2025 calf.
